P. BOIS

The background of the page is decorated with delicate illustrations. At the top, several birds are shown in flight, scattered across the upper half. In the bottom left corner, there is a detailed illustration of a rose bush with several large, blooming roses and leaves. Two butterflies are also depicted: one is perched on a leaf in the lower center, and another is in flight to its right. The overall style is that of a classic children's book or a vintage album page.
